SEEK LIVING IN RUINS

Searchers at Messina Renew Efforts to Find Survivors.

ANOTHER SHOCK AT REGGIO

Six Persons Buried When House Collapses, and Only One Is Taken Out Alive-Troops Are Mainly Employed in Building Huts and Clearing Streets-Duke in the Senate.

fleet, may arrive here to-morrow, when he will be received by King Victor Emmanuel. No arrangements have been made can sailors visiting Rome to have an audience with the Pope.

Gen. Mazza, commanding in the earthquake district, has countermanded the orders suspending the search for survivors at Messina. The search will be continued until there is no hope of any one being alive in the ruins. The troops are now mainly employed in building huts and clearing the streets, in order to prevent the rains flooding the ruins.

Another Shock at Reggio. There was another shock at Reggio this morning. One house collapsed, burying it wears out rubbing its sides together. six persons. Only one of the six sur-

Duke Greeted with Applause.

There was an unprecedented attendance at to-day's sitting of the Senate, 125 members being present. Among those who attended was the Duke of Aosta, whose entrance was greeted with applause. He said he felt in duty bound to attend and

The ministers' budgets, already passed by the Chamber of Deputies for the benefit of the sufferers, were adopted by the pressing deep gratitude to the foreign heads of states to their navies for the in-

that the royal princes are senators, but a meeting of the Senate.

Residence for Refuges,

The American and British consuls at Capri have opened a fund to maintain twenty-five refuges from Messini. They invite subscriptions to the fund. Mrs. Medcalfe, emulating her husband's devo tion at Messini, where he is working energetically, has given up her residence in Capri for a refuge for refugees, whose comfort and healing she has undertaken to superintend.

WEATHER CONDITIONS.

Washington, ruesday, dan, iz. 1805-0 p. m.
The storm which caused during Thesday precipitation in the Middle and North Atlantic coast
States, the Lower Lake region, and Ohio Valley,
has passed rapidly into the Atlantic. Colder
weather is now felt generally in the Middle Gult and Eastern States, except that high temperatures

again in Texas and the far Southwest.

Fair and colder weather will prevail in the Atlantic coast States during Wednesday as the crest of the cold wave passes into the ocean. Fair weather is indicated in the Middle States, Precipitation is probable in the West Gulf district. outhern Rocky Mountains, and Plateau regions.
The temperature will rise in the Middle and West-Storm warnings are displayed on the California

cast.

The winds along the New England, Middle and South Atlantic coasts will be fresh northwesterly, becoming variable Wednesday englat; on the East Gulf coast moderate northerly; on the West Gulf coast light northeasterly, becoming variable.

Steamers departing Wednesday for European ports will have fresh northwest to north winds, diminishing and becoming variable with generally fair weather to the Grand Banks.

BAILEY WARNS HIS PARTY.

Be Submitted to Vote.

Dallas, Tex., Jan. 12.-In a letter giver to the newspapers, United States Senator Bailey appeals to the Texas legislature 2 to obey the demand of the Democratic platform and submit to a vote of the people of Texas, a liquor prohibition amendment to the constitution of the ... State.

If this is not done Senator Bailey predicts harm to the party and that the prohibition question will be kept in politics to the exclusion of every important matter. He says he will vote against the .. amendment if it is submitted. Senator Bailey starts for Washington
